I Made It on My Schacht Contest

Join us for our Fab 40 Anniversary celebration by entering our super-duper, get weaving and spinning contest. There are categories for beginners and experienced alike, so don't be shy. All you have to do is either weave a project on your Schacht Loom or spin a skein of yarn on your Schacht Wheel. Enter through your favorite participating Schacht dealer or on-line (www.schachtspindle.com). Contest finalists will be sent to our Boulder offices for judging and a special exhibition. We'll announce the winners at a special anniversary event during Spinning and Weaving Week, October 2009. Your favorite LYS will get special recognition, too.

YouTube Option: Here's another fun way to win! Make a special video showing either the creation of your project or demonstrating how to use a Schacht product, and post it on YouTube. Send us the link, and you will be eligible for an additional prize.

Who's eligible?

This contest is open to anyone worldwide, novice (2 years of experience or less) and expert (more than two years). Entries must be woven or spun on Schacht equipment and completed within the past year. A photo of you creating your entry should be included.

What can I enter?

In the weaving category, you can enter anything you've woven, practical or just plain fun. In the spinning category, you can enter any type of skein, large or small, bumpy, fluffy, or fine.

YouTube Challenge

Enter our YouTube Challenge by posting a video on YouTube of you spinning or weaving your entry, or demonstrating a weaving and spinning technique using Schacht equipment. The idea is to get more weaving and spinning out there in cyberspace and to have fun doing it. Entries will be judged for humor, content, and product usage. Entertainment value is a plus.

Jurors

The Schacht Spindle Staff will judge the contest. That's Barry Schacht (our founder), Jane Patrick (former editor of Handwoven), Stephanie Flynn-Sokolov (our spinner extraordinaire), and Gail Matthews (our expert at many things).

Good News: There are no entry fees.

Submission:

- Each person can submit up to 2 items in both categories (that is two woven items and two skeins).
- Submit three images (digital preferred): a fullview and a close up should be included with each piece (good enough and close enough that we can see what it looks like), plus a photo of you creating your piece. Please use our entry form. You can pick it up at your favorite Schacht dealer or print out the form from our website. www.schachtspindle.com
- Please do not send the actual item to enter; only finalists' entries will need to be sent to us for final judging.
