

Santa Sock

Christmas red and a bit of white fuzz are all that's needed for this cute miniature sock.

Difficulty: Easy

Number of Squares: 1

Finished Size: 2-1/4" w x 3" h

Yarn: Brown Sheep Nature Spun, sport, N64 Red Fox, 8 yards; Classic Elite La Gran, Bleached White, 3 yards.

Loom: Zoom Loom, 6" weaving needle

Notions: Tapestry needle, size 3 crochet hook.

Weaving: Weave one square with Nature Spun. Remove from loom and leave a tail for sewing.

Finishing: Wash in hot water with a small amount of dish soap, alternating with cold water, to full to desired size. Press out excess water and lay flat to dry. Press.

Assembly: Fold in half and sew the selvages along the long side together [1]. Sew diagonally along the one short side for the foot, beginning about a 1/2" from the end and tapering to a point [2]. Secure the tail and turn inside out for a tidy seam. Shape the foot by inserting a pencil and pushing on the seam from the inside of the sock [3].

Crochet Cuff: Use La Gran. You'll notice that there are pairs of loops along the edge. You will make a stitch into each of these. Leaving a tail to sew in later, insert the crochet hook through a red loop, pull a loop of La Gran through and single crochet [4]. Repeat until you have crocheted all the way around the top of the sock. Make two more rows [5]. Sew in the ends and add a red yarn hanger at the back.
