

ZIGZAG SCARF

Designed and woven by Jeane deCoster

Difficulty: Beginner weaving, beginner construction

Overview: Zoom Loom squares are overlapped at the points, stitched together and accented with a line of beads up the center.

Finished size: Approximately 40", will depend on how much the squares overlap.

Yarn

Elemental Affects Shetland Rustic Lace (1 skein is plenty)

Notions

48 or so beads; sewing thread and needle to sew on beads

Weaving

Weave 12 squares.

Finishing

Wet finish by washing vigorously by hand (soap and hot water to wash, cold water to rinse) to encourage the yarn to bloom and soften. (This Shetland is very slow to felt.) Tug at two opposite corners to encourage a diamond shape, apply a hot iron for a short time and let dry in shape.

Assembly

Overlap the points and sew together using matching yarn and a tapestry needle.

Sew on your chosen beads in random order. Embellish with two lines of running stitches (in matching yarn or not) on either side of the beads.
